Dear Madam Chair:

Thank you for your letter, jointly signed by a number of your colleagues, requesting that the Government Accountability Office review various aspects of “Move Over” laws, which are designed to protect roadway users from unnecessary and avoidable incidents.

GAO accepts your request as work that is within the scope of its authority. At the current time we anticipate that staff with the required skills will be available to initiate an engagement in about four months. Your request has been assigned to Mr. Daniel Bertoni, Managing Director, Physical Infrastructure. Closer to the time GAO can start this engagement, Mr. Bertoni or a member of his team will contact Mr. Paul Wasik to confirm that this request continues to be your priority for us. As applicable, we will also be in contact with the cognizant Inspector General’s office to ensure that we are not duplicating efforts. If an issue arises during this coordination, we will consult with you regarding its resolution.

If you have any questions, please contact Mr. Bertoni at 202-512-5988 or bertonid@gao.gov, or Ms. Rosa Harris, Assistant Director, Congressional Relations, on my staff at 202-512-9492 or harrisrr@gao.gov.
